

Out and about....

We are within walking distance of local pubs serving cask ales and home cooked food.

The Sun Inn is reputed to be haunted by the ghost of Lizzie Dean who was jilted on the eve of her wedding.

The Cobbled Corner Café is ideal for lunch or cake!

A farm shop, is also on hand for you to pick up some provisions.

We are very lucky to have several excellent restaurants within a short driving distance.

Several lovely country walks are accessible from the cottage from a short stroll around the duck pond to feed the Ducks to the more energetic who wish to visit the hills of Parlick, Jeffery and Fairsnape.

Within easy reach of some beautiful places to visit from the market town of Garstang, the castle at Clitheroe or various garden centers

A night out to watch a show at Preston Guild Hall might be a treat.
